For Health Care Operations. We may use and disclose Health Information for health care operations purposes. These uses and disclosures are necessary to make sure that all of our patients receive quality care and to operate and manage our office. For example, we may use and disclose information to evaluate the performance of our staff in caring for you and/or to help us decide what additional services we should offer our patients. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before we use or disclose Health Information for research, the project will go through a special approval process. Even without special approval, we may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information, and they represent that such information is necessary for research purposes.

We will only make this disclosure if you agree or when required or authorized by law.

Health Oversight Activities. We may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

Data Breach Notification Purposes. We may use or disclose your Protected Health Information to provide legally required notices of unauthorized access to or disclosure of your Health Information. USES AND DISCLOSURES THAT REQUIRE US TO GIVE YOU AN OPPORTUNITY TO OBJECT:

Disaster Relief. We may disclose your Protected Health Information to disaster relief organizations that seek your Protected Health Information to coordinate your care, or notify family and friends of your location or condition in a disaster. We will provide you with an opportunity to agree or object to such a disclosure whenever we practically can do so.

YOUR WRITTEN AUTHORIZATION IS REQUIRED FOR OTHER USES AND DISCLOSURES:

Other uses and disclosures of Protected Health Information not covered by this Notice or the laws that apply to us will be made only with your written authorization. If you do give us an authorization, you may revoke it at any time by submitting a written revocation. Call 316-755-6436 to obtain instructions for submitting your written revocation. - Marketing our services.
- Selling or otherwise receiving compensation for disclosing your Protected Health Information.
- Certain research activities.
- Other uses and disclosures not described in this Notice.

YOUR RIGHTS:

You have the following rights regarding Health Information we have about you:

Right to Inspect and Copy. You have the right to inspect and copy your Health Information that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes. To inspect and copy this Health Information, you must submit your request in writing. Call 316-755-6436 to obtain information for submitting your written request. We have up to 30 days to make your Protected Health Information available to you, and we may charge a reasonable fee for the cost of copying, mailing or other supplies associated with your request. We may not charge a fee if you need the information for a claim for benefits under the Social Security Act or any other state or federal needs-based benefit program. We may deny your request in certain limited circumstances. If we do deny your request, you have the right to have the denial reviewed by a licensed healthcare professional who was not directly involved in the denial of your request.

Right to an Electronic Copy of Medical Records. If your Protected Health Information is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. We will make every effort to provide access to your Protected Health Information in the form or format you request, if it is readily producible in such form or format. If the Protected Health Information is not readily producible in the form or format you request your record will be provided in either our standard electronic format or if you do not want this form or format, a readable hard copy form. We may charge you a reasonable, cost-based fee for the labor associated with transmitting the electronic medical record.

Right to Get Notice of a Breach. You have the right to be notified upon a breach of any of your unsecured Protected Health Information.

Right to Amend. If you feel that Health Information we have is incorrect or incomplete, you may ask us to amend the information. You have this right for as long as the information is kept by or for Stable Therapeutics LLC. You must submit your request for an amendment in writing. Call 316-755-6436 to obtain information for submitting your written request. In addition, you must provide a reason for your request. We will respond to such a request within 30 days of receiving the request. We will accept or deny your request as permitted or required by law.

Right to an Accounting of Disclosures. You have the right to request a list of certain disclosures we made of your Health Information for purposes other than treatment, payment, or health care operations or for which you provided written authorization. To request an accounting of disclosures, you must submit your request in writing. Call 316-755-6436 to obtain information for submitting your written request. Your request must state a time period which may not be longer than six years prior to the date the accounting is requested. Your request should indicate in what form you want the list (for example, on paper or electronically). The first list you request within a twelve-month period will be free. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on the Health Information we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on the Health Information we disclose to someone involved in your care or the payment for your care, like a family member or friend. For example, you may request that we limit the health information we disclose to someone who is involved in your care, the payment for your care or to your insurance company when you are paying in full. You could ask that we not use or disclose information about a surgery you had to a family member or friend. To request a restriction, you must make your request in writing. Call 316-755-6436 to obtain information for submitting your written request. In your request you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply, for example, disclosures to your spouse. We are not required to agree to your request unless you are asking us to restrict the use and disclosure of your Protected Health Information to a health plan for payment or health care operation purposes and such information you wish to restrict pertains solely to a health care item or service for which you have paid us "out-of-pocket" in full. If we do agree, we will comply with your request unless the information is needed to provide you emergency treatment.

Out-of-Pocket-Payments. If you paid out-of-pocket (or in other words, you have requested that we not bill your health plan) in full for a specific item or service, you have the right to ask that your Protected Health Information with respect to that item or service not be disclosed to a health plan for purposes of payment or health care operations, and we will honor that request.

Right to Request Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain manner or at a certain location. For example, you may ask that we only contact you via mail to a post office box. To request confidential communications, you must submit your request in writing. Call 316-755-6436 to obtain information for submitting your written request. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests.

Right to Choose Someone to Act for You. If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information. We will make sure the person has this authority and can act for you before we take any action.
